

Business travelers ? ...you might be interested !

DO YOU REMEMBER

... being face to face with a new business partner for two hours in a restaurant **without any conversation topics** ?

... standing in meetings with your potential clients while they all look at you embarrassed because of an **unintended hasty action** of yours ?

... explaining your point of view about a cross border project and having **no idea of the regulatory consequences** of your choices ?

If you ever met these awkward situations during your business trips, **that's you've never used the JPA iTraveler application !**
